ABOUT US

STAR FUEL COMPANY LTD company, specialising in the sourcing and selling of bulk, high-quality petroleum from local refineries to a wide variety of end users. We operate from Dar es Salaam, Dodoma, Singida, but have a footprint all over Tanzania. The “fuel” behind **STAR FUEL** is director **Gulam Rasoul Abdulrahim**

With 14 years’ experience in sales (also in the petroleum industry), he boasts both the proficiency and the passion for pleasing clients by over-delivering on promises. The company is driven by her dream to provide outstanding petroleum-related products and services for the local market. The **STAR Fuels team includes hand-selected, professional contractors.**

OUR VISION

We strive to become a top Tanzania petroleum wholesaler as well as retailer, sourcing only first-rate products, and providing it at the most competitive rates with unrivalled customer service.

WE STAND FOR:

- **Integrity** in all our dealings
- Valuing every individual client through a **professional** and **friendly** relationship
- **Excellent** products and services
